

The background of the slide is a photograph of a forest. In the lower right, a red tent is pitched on a grassy area. The sun is shining from the upper left, creating a bright, hazy glow and casting long shadows. A pink flower is visible in the upper left foreground.

What am I doing for this task?

I using vite for the first time in react

Hovering my buttons to rainbow colors

Hovering groupBtn transform with arrow

Using css module for styling

Trying to use scss, declearing colors

Changing cards with button group events

Releasing V1.0.0 this repository to
completing

Tring present all my done to you

What couldn't am I?

Using card images src in components

Changing index.css to scss

Showing kayakingCard location

Adding header with basket
counter&logo

Adding calender to choos day button

Make image background same amazon
banner

Create more animations

A close-up photograph of a bouquet of pink roses. The roses are in various stages of bloom, with some showing deep pink centers and lighter pink outer petals. The background is softly blurred, showing more roses and green leaves. In the bottom left corner, there is a grey rectangular box containing the text "Thank u".

Thank u
